The Benefits of Using The Moving Planners

- reduce the physical demands and emotional stress of moving
- focus on the important things in life – your family, your friends, your pets
- take control of your move, without having to do all the work
- simplify your move – have one point of contact for all of your needs
- lighten the load for your family and friends
- access to great prices and reliable tradespeople
- potentially boost your sales price

We work with seniors, their families and anyone who needs a little extra help.

Moving house is hard. It's exhausting, it's time consuming, it's emotional. It's one of life's most stressful experiences. And frankly, you've got better things to do.

That's where The Moving Planners come in. Organisation and planning come naturally to us. We'll tailor a plan to assist with everything involved in your move.

Choose the services you need

Move Management, Decluttering and Downsizing?

- dedicated Senior Move Planner to work with you
- source quotes for moving
- organise donations, recycling, sale and disposal of unwanted items
- liaise with utility providers and change of address notices
- develop a furniture placement plan for your new home
- supervise your move day to ensure everything runs smoothly
- assist you to purchase new items needed
- set up and prepare your new home

Selling your Home?

- organise cleaning, garden care, repairs and maintenance with trusted tradespeople
- co-ordinate home styling
- introduce you to reputable real estate agencies
- assist with open homes and settlement activities

Moving into Aged Care?

- identify suitable retirement and care residences
- help with government processes and paperwork
- introduce you to reputable aged care brokers
- liaise with staff at your new home to ensure a smooth transition

Managing a Deceased Estate?

- arrange shipping for bequeathed items
- organise the donation, recycling, sale and disposal of unwanted items
- find lost or forgotten items
- prepare an inventory list
- secure disposal of unwanted documents
